Notes:

1. In case of equal marks, ranks have been decided using the following criteria:

(A) **Classes 7th, 8th & 9th**: Mathematics score, followed by accuracy

(B) **Class 10th (Maths/Biology)**: Subject score (Maths/Bio), followed by accuracy

(C) **Other classes**: Overall accuracy

2. For Class 11th (Maths & Biology) only, in addition to CSAT performance, an **alternative merit criterion** titled “**Year-Long Performance**” has been considered for determining benefits.

Year-Long Performance is calculated as the **average percentage obtained by the student in JEE/NEET-level tests conducted at Core Academy during the academic session.**

The **higher of the two values** (CSAT-based merit OR Year-Long Performance) has been considered while determining the **Benefit Available (%)**.

This criterion has been introduced to ensure **fair recognition of consistent academic performers** in senior competitive batches.

3. Scholarship benefits exceeding 40% are restricted to the Top 15 students in each class, as clearly announced prior to the conduct of CSAT 2026.

Students ranked beyond the Top 15 may still be eligible for benefits under the **Pre-Registration Policy**, subject to applicable conditions and timelines.

4. Cash prizes will be distributed during the **1st week of April 2026** at the Core Academy campus.

5. Scholarship / Benefit letters will be issued individually from **19 January 2026 to 25 January 2026**.

6. Students whose merit-based scholarship (CSAT / Year-Long Performance) is below 40% may avail admission benefits under the **Pre-Registration Policy**, as detailed below:

Existing students: Up to **40% fee concession** on **26th, 27th & 28th January 2026 only**

New students:

- Up to **35%** till **31 January 2026**

- Up to **33%** till **15 February 2026**

- Thereafter, as per the discount policy applicable at that time

7. Students availing any benefit (merit-based scholarship, year-long performance benefit, or pre-registration concession) must confirm their seat by depositing a **token amount of Rs. 10,000 (adjustable)** on or before **31 January 2026**.

In addition, a **one-time material fee** is applicable as per the **next class/course** the student is taking admission in, as detailed below:

Class 8: Rs. 4,000

Class 9 & 10: Rs. 5,000

Class 11 & 12 (Commerce): Rs. 5,000

Class 11 & 12 (Humanities): Rs. 7,200

Class 11 & 12 (Science – PCM/PCB): Rs. 11,000

Droppers (JEE/NEET): Rs. 9,000

The material fee covers academic resources and is **non-refundable**.

Failure to deposit the token amount within the stipulated deadline will result in **cancellation of the benefit**, and the seat may be offered to the next eligible student.

8. After 31 January 2026, benefits may be **revised or upgraded** for students placed lower in the merit list if higher-ranked students fail to confirm their seats.

9. The token amount is refundable if the student does not take admission in the respective course/batch. (*Batch commencement dates may vary by class.*)

10. Any discrepancy or objection in the result must be reported **by 2:00 PM on 20 January 2026** by contacting **9630588100 / 7470460889**. Requests received after this time will not be entertained.

11. The decision of Core Academy regarding results, ranking criteria, benefits, fee structure, and admissions shall be **final and binding**.
